

In Memory of  
**John “Eric” Oglesby**  
**Pilot**

*...Although the sun of his life has set,  
his deeds will last forever...*

***September 30, 1946 – September 21, 2016***

*John 'Eric' Oglesby, age 69, died on Wednesday, September 21, 2016 in Knoxville, TN. He retired after a distinguished military career flying Med-Evac helicopters in Vietnam and KC-135 Refueling Tankers in the TN Air National Guard, and from US Airways as a commercial airline captain. He taught us what he believed - to appreciate what matters and to question what might not.*

*Those who know him feel the loss of someone special. Among the many who loved him and whom he loved were his wife of 30 years, Lisa Lillard Oglesby; his children Rachel Oglesby Chiappetta and son-in-law Chip Chiappetta (Nashville, TN); Connor Denton Oglesby (Houston, TX); Joy Forster Carver (Maryville, TN); his grandchildren Lea and Charlie Chiappetta (Nashville); his sister Glickse Neidert and brother-in-law Robert Neidert (Providence Forge, VA); and last, but not least, his Golden Retriever, Sam. He is preceded in death by his loving parents, John Ellsworth and Leona O'Connor Oglesby of Nashville, TN*

*The family extends a heartfelt appreciation to the staff and caregivers at Raintree Terrace who provided a second loving home for Eric.*
